# GET FLEXIBLE LEASE TERMS ON LOW-MILEAGE TRACTORS

Take advantage of our limited time offer to lease 2020 Freightliner New Cascadia 126 or 2020 International LT625 tractors. Available immediately, each tandem-axle day cab and sleeper features the latest in driver comfort and safety, superior fuel economy and an improved ride to support your drivers and your business.

## 2020 Freightliner New Cascadia 126

- Both day cab and sleeper models available
- Features improved visibility with a standard roped-in, one-piece windshield and one-piece door glass or a two-piece, solar-tinted roped-in windshield
- Contains an ergonomic wraparound dashboard built with the professional truck driver in mind
- Built with a new suspension that provides a smoother ride and improved steering precision

## 2020 International LT625

- Both day cab and sleeper models available
- Provides advanced electronic features designed to improve fuel economy
- Possesses improved driver comfort features and a quiet cab with injected-molded floor insulation
- Features the latest safety features allowing drivers to focus more on the road

## The Benefits of a Penske Full-Service Lease

A Penske full-service lease gives you the ultimate network of fleet services, providing the latest technology and resources to reduce costs, mitigate risk and improve on-time delivery so you can focus your time, energy and capital on what you do best.

## Why Wait? Lease a Tandem-Axle Day Cab or Sleeper Today

New vehicle lead times continue to increase, but with this special offer, you can get one or more low-mileage tractors with flexible terms fast and hassle-free.

**Contact your local Penske representative or call 888-234-4201  
for more information on this exclusive offer.**
